## Auditor-General's Independence Declaration

### To the Trustee, Victorian Traditional Owners Trust - Dja Dja Wurrung

The Auditor-General's independence is established by the *Constitution Act 1975*. The Auditor-General, an independent officer of parliament, is not subject to direction by any person about the way in which his powers and responsibilities are to be exercised.

Under the *Audit Act 1994*, the Auditor-General is the auditor of each public body and for the purposes of conducting an audit has access to all documents and property and may report to parliament matters which the Auditor-General considers appropriate.

### *Independence Declaration*

As auditor for the Victorian Traditional Owners Trust - Dja Dja Wurrung for the year ended 30 June 2024, I declare that, to the best of my knowledge and belief, there have been:

- no contraventions of auditor independence requirements of the *Australian Charities and Not-for profits Commission Act 2012* in relation to the audit.
- no contraventions of any applicable code of professional conduct in relation to the audit.

### **Director's report**

**30 June 2024**

The Victorian Government established a Native Title Settlement Framework to reach agreements with Traditional Owners. The Victorian Traditional Owners Trust - Dja Dja Wurrung (DDW Trust) was established with effect from 1 July 2018 by an amendment to the initial Trust Deed on 25 September 2018. The initial Trust Deed was signed on 13 September 2011 between Robert Clark the Attorney General of Victoria and the Trustee Victorian Traditional Owners Funds Ltd (VTOFL). The amendment created the ability to hold separate Trusts. The trust assets of the Dja Dja Wurrung people and the Gunaikurnai people had previously been accounted for in separate accounts in a single trust, the Victorian Traditional Owners Trust (VTOT).

With effect from 1 July 2018 the trust assets and equity specifically identified with the Dja Dja Wurrung people were transferred to the DDW Trust.

The Directors of the Victorian Traditional Owners Funds Limited (VTOFL) present the annual report for the DDW Trust for the financial year ended 30 June 2024.

### **Directors**

The following persons were directors of VTOFL during the whole of the financial year and up to the date of this report, unless otherwise stated:

Neil Westbury PSM, Chairperson  
Glen Brennan PSM (retired 12 December 2023)  
Susanne Dahn AM  
Kim Bowater  
Professor John Evans (appointed 12 December 2023)

### **Principal activities and objectives**

The DDW Trust was established for charitable purposes to benefit the Dja Dja Wurrung people of Victoria. The agreement with DDW was formalised through execution of a Participation Agreement on 5 December 2013. The Trust which runs for 20 years will terminate on 12 December 2033.

### **Report on operations and activities**

VTOFL has developed a tailored long term investment strategy for the DDW Trust.

The investment strategy was established after meeting with the representatives of Dja Dja Wurrung Clans Aboriginal Corporation (DDWCAC) to develop an understanding its long term and short term financial objectives and its tolerance for risk.

The long-term funds are invested in a mix of asset classes with Mercer, which are consistent with the targeted investment returns and asset allocations of each investment strategy.

	Full Board	
	Attended	Held
Neil Westbury PSM	7	7
Glen Brennan PSM	4	4
Susanne Dahn AM	7	7
Kim Bowater	7	7
Professor John Evans	3	3

Held: represents the number of meetings held during the time the director held office.

#### Environmental issues

The operations of the DDW Trust are not regulated by any significant environmental regulation under a law of the Commonwealth or of a State or Territory. However, as a registered charity it is required to comply with all the rules and regulations of the ACNC.

#### Indemnity and insurance of auditor and officers

VTOFL paid insurance premiums to insure the directors of VTOFL for Investment Managers Insurance, Directors and Officers Insurance, Professional Indemnity, Cyber Liability, and Public and Products Liability insurance. The premium paid for this insurance cover was \$68,956 (30 June 2023: \$39,654).

#### Proceedings on behalf of the trustee company

No person has applied for leave of the Court to bring proceedings on behalf of VTOFL and the DDW Trust or to intervene in any proceedings to which VTOFL is a party for the purpose of taking responsibility on behalf of VTOFL for all or any part of those proceedings.

The DDW Trust was not a party to any such proceedings during the year.

#### Auditor's independence declaration

A copy of the auditor's independence declaration is set out immediately after this directors' report.

#### Consultative advisory council

Given that over time Traditional Owner Groups will take responsibility for managing the funds VTOFL has initiated a Consultative Advisory Council (CAC) that encourages the participation of representatives from the Traditional Owner Corporations to enhance understanding, knowledge, and transparency on a range of matters directly relevant to their managed investments.

The CAC had its third meeting in November 2023. The Terms of Reference for CAC are:

- Share and discuss information with Traditional Owner Groups regarding VTOFL's process for establishing and maintaining an Investment Policy and an Investment Strategy, including the role of financial and economic modelling.
- Share and discuss with Traditional Owner Groups the products in which VTOFL invests and the reasons those products have been selected.
- Share more detailed information with Traditional Owner Groups as to the performance of the funds VTOFL manages and trends and developments in financial markets.
- Enable Traditional Owner Groups to access VTOFL's financial advisers and fund managers.
- Serve as a forum where Traditional Owner Groups can discuss investment issues with VTOFL and its financial advisers and investment managers.

**Victorian Traditional Owners Trust - Dja Dja Wurrung**  
**Notes to the financial statements**  
**30 June 2024**

**Note 1. Material accounting policy information**

The accounting policies that are material to the trust are set out either in the respective notes or below. The accounting policies adopted are consistent with those of the previous financial year, unless otherwise stated.

**New or amended Accounting Standards and Interpretations adopted**

The trust has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

**Basis of preparation**

These general purpose financial statements have been prepared in accordance with the Australian Accounting Standards - Simplified Disclosures issued by the Australian Accounting Standards Board ('AASB'), the *Australian Charities and Not-for-profits Commission Act 2012 and Regulations 2022*, as appropriate for not-for profit oriented entities.

*Historical cost convention*

The financial statements have been prepared under the historical cost convention.

*Critical accounting estimates*

The preparation of the financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the trust's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements, are disclosed in note 2.

**Income tax**

As the trust is a charitable institution in terms of subsection 50-5 of the *Income Tax Assessment Act 1997*, as amended, it is exempt from paying income tax.

**Current and non-current classification**

Assets and liabilities are presented in the statement of financial position based on current and non-current classification.

An asset is classified as current when: it is either expected to be realised or intended to be sold or consumed in the trust's normal operating cycle; it is held primarily for the purpose of trading; it is expected to be realised within 12 months after the reporting period; or the asset is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least 12 months after the reporting period. All other assets are classified as non-current.

A liability is classified as current when: it is either expected to be settled in the trust's normal operating cycle; it is held primarily for the purpose of trading; it is due to be settled within 12 months after the reporting period; or there is no unconditional right to defer the settlement of the liability for at least 12 months after the reporting period. All other liabilities are classified as non-current.

**Note 2. Critical accounting judgements, estimates and assumptions**

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events, management believes to be reasonable under the circumstances. There are no critical accounting judgements, estimates and assumptions that are likely to affect the current or future financial years.

**Note 3. Revenue**

	2024 \$	2023 \$
Trust distributions	88,293	116,200
Franking credit refund	7,782	8,815
Management fee rebate	17,473	16,749
	<u>113,548</u>	<u>141,764</u>
Revenue	<u><u>113,548</u></u>	<u><u>141,764</u></u>

*Accounting policy for revenue recognition*  
The trust recognises revenue as follows:

*Trust distributions*

Investment distributions are declared income as advised by the fund managers on the investments. The investments included investments in term deposits, bonds, equities, exchange traded funds and other securities as defined in the management agreement between the Trust and the fund manager. Accordingly, investment distributions include dividend income, interest income and capital gain income (net of any capital loss) upon sale of equities and exchange traded funds. Investment distribution income is accounted upon declaration and credit of the distribution to the investment account. For the year ended 30 June 2024, the DDW Trust received investment distributions of \$88,293 (30 June 2023: \$116,200).

None of the revenue of the DDW Trust includes any amount for the goods and services tax (GST).

**Note 4. Other income and gain**

	2024 \$	2023 \$
Net fair value gain on investments	10,879	48,584
Resources received free of charge	36,000	31,000
	<u>46,879</u>	<u>79,584</u>
Other income and gain	<u><u>46,879</u></u>	<u><u>79,584</u></u>

*Accounting policy note for other income*

*Gain or losses on financial instruments – investments*

The DDW Trust's portfolio of managed investments consists of equities, bonds and other financial instruments. As is customary in the financial markets, investments are traded in that they are sold and then other securities purchased. This results in realised gains or losses from securities that are purchased and sold. Realised gains or losses on financial instruments is calculated by comparing the initial unit purchase price to the unit sale price, multiplied by the number of units withdrawn.

The investment portfolios are priced 'to market prices' at regular intervals, this pricing to market price results in unrealised gains or losses. Unrealised gains or losses from the portfolio investments are not recorded under Income from transactions, but are separately reported under other comprehensive income.

*Interest revenue*

Interest revenue is recognised using the effective interest rate method, which, for floating rate financial assets, is the rate inherent in the instrument.

*Other revenue*

Other revenue is recognised when it is received or when the right to receive payment is established.

VTOFL pays for expenses on behalf of the DDW Trust. These expenses are included as "resources free of charge" in the statement of comprehensive income and is funded by the Department of Premier and Cabinet.

**Notes to the financial statements**  
**30 June 2024**

**Note 5. Net investment income disclosed in the Statement of Profit and Loss and Other Comprehensive Income**

AASB 101: *Presentation of Financial Statements* requires material items of a dissimilar nature to be presented separately. As such, the trust is required to present income in the form of distributions of units separately from gains or losses resulting from changes in the value of the units.

	<b>2024</b>	<b>2023</b>

	\$	\$
<i>Current assets</i>		
Cash at bank	<u>11,462</u>	<u>9,914</u>

*Accounting policy for cash and cash equivalents*

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

	\$	\$
<i>Current assets</i>		
Franking credits receivable	<u>7,783</u>	<u>11,960</u>

*Accounting policy for trade and other receivables*

Trade receivables are initially recognised at fair value and subsequently measured at amortised cost using the effective interest method, less any allowance for expected credit losses.

**Note 8. Investments**

	<b>2024</b>	<b>2023</b>
	\$	\$
<i>Non-current assets</i>		
Mercer Conservative Growth	2,497,266	2,465,382
Mercer Moderate Growth	2,245,758	2,283,040
	<u>4,743,024</u>	<u>4,748,422</u>

*Accounting policy for investments and other financial assets*

Investments and other financial assets are initially measured at fair value. Transaction costs are included as part of the initial measurement, except for financial assets at fair value through profit or loss. Such assets are subsequently measured at either amortised cost or fair value depending on their classification. Classification is determined based on both the business model within which such assets are held and the contractual cash flow characteristics of the financial asset unless an accounting mismatch is being avoided.

**Victorian Traditional Owners Trust - Dja Dja Wurrung**  
**Notes to the financial statements**  
**30 June 2024**

**Note 8. Investments (continued)**

Financial assets are derecognised when the rights to receive cash flows have expired or have been transferred and the trust has transferred substantially all the risks and rewards of ownership. When there is no reasonable expectation of recovering part or all of a financial asset, its carrying value is written off.

Investments includes non-derivative financial assets with fixed or determinable payments and fixed maturities where the trust has the positive intention and ability to hold the financial asset to maturity. This category excludes financial assets that are held for an undefined period. Investments are carried at amortised cost using the effective interest rate method adjusted for any principal repayments. Gains and losses are recognised in profit or loss when the asset is derecognised or impaired.

*Financial assets at amortised cost*

A financial asset is measured at amortised cost only if both of the following conditions are met: (i) it is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and (ii) the contractual terms of the financial asset represent contractual cash flows that are solely payments of principal and interest.

*Financial assets at fair value through other comprehensive income*

Financial assets at fair value through other comprehensive income include equity investments which the trust intends to hold for the foreseeable future and has irrevocably elected to classify them as such upon initial recognition.

*Impairment of financial assets*

The trust recognises a loss allowance for expected credit losses on financial assets which are either measured at amortised cost or fair value through other comprehensive income. The measurement of the loss allowance depends upon the trust's assessment at the end of each reporting period as to whether the financial instrument's credit risk has increased significantly since initial recognition, based on reasonable and supportable information that is available, without undue cost or effort to obtain.

Where there has not been a significant increase in exposure to credit risk since initial recognition, a 12-month expected credit loss allowance is estimated. This represents a portion of the asset's lifetime expected credit losses that is attributable to a default event that is possible within the next 12 months. Where a financial asset has become credit impaired or where it is determined that credit risk has increased significantly, the loss allowance is based on the asset's lifetime expected credit losses. The amount of expected credit loss recognised is measured on the basis of the probability weighted present value of anticipated cash shortfalls over the life of the instrument discounted at the original effective interest rate.

For financial assets mandatorily measured at fair value through other comprehensive income, the loss allowance is recognised in other comprehensive income with a corresponding expense through profit or loss. In all other cases, the loss allowance reduces the asset's carrying value with a corresponding expense through profit or loss.

**Note 9. Trade and other payables**

	<b>2024</b>	<b>2023</b>
	<b>\$</b>	<b>\$</b>
<i>Current liabilities</i>		
Audit fees payable	<u>6,600</u>	<u>5,500</u>

*Accounting policy for trade and other payables*

Trade and other payables represent the liability outstanding at the end of the reporting year for goods and services received by the DDW Trust during the reporting year which remain unpaid. The balance is recognised as a current liability with the amount being normally paid within 365 days or shorter of recognition of the liability.

# Independent Auditor's Report

## *To the Directors of the Victorian Traditional Owners Trust - Dja Dja Wurrung*

**Opinion** I have audited the financial report of the Victorian Traditional Owners Trust - Dja Dja Wurrung (the Trust) which comprises the:

- statement of financial position as at 30 June 2024
- statement of profit or loss and other comprehensive income for the year then ended
- statement of changes in equity for the year then ended
- statement of cash flows for the year then ended
- notes to the financial statements, including material accounting policy information
- Directors' declaration.

In my opinion the financial report is in accordance with Division 60 of the Australian Charities and Not-for-profits Commission Act 2012 and Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012*, including:

- giving a true and fair view of the financial position of the Trust as at 30 June 2024 and of its financial performance and its cash flows for the year then ended
- complying with Australian Accounting Standards and Division 60 of the *Australian Charities and Not-for-profits Commission Regulations 2022*.

**Basis for opinion** I have conducted my audit in accordance with the *Audit Act 1994* which incorporates the Australian Auditing Standards. I further describe my responsibilities under that Act and those standards in the *Auditor's Responsibilities for the Audit of the Financial Report* section of my report.

My independence is established by the *Constitution Act 1975*. My staff and I are independent of the Trust in accordance with the auditor independence requirements of the *Australian Charities and Not-for-profits Commission Act 2012* and the ethical requirements of the Accounting Professional and Ethical Standards Board's *APES 110 Code of Ethics for Professional Accountants* (the Code) that are relevant to my audit of the financial report in Victoria. My staff and I have also fulfilled our other ethical responsibilities in accordance with the Code.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

<b>Other information</b>	<p>The Directors of the Trustee, Victorian Traditional Owners Funds Limited, are responsible for the other information. The other information obtained at the date of this auditor's report is information included in the directors' report, but does not include the financial report and our auditor's report thereon.</p> <p>Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.</p> <p>In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report, or our knowledge obtained in the audit, or otherwise appears to be materially misstated.</p> <p>If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.</p>
<b>The Directors' responsibilities for the financial report</b>	<p>The Directors of the Trustee are responsible for the preparation of a financial report that gives a true and fair view in accordance with Australian Accounting Standards, the Australian Charities and Not-for-profits Commission Act 2012 and the <i>Australian Charities and Not-for-profits Commission Act 2012</i>, and for such internal control as the Directors determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.</p> <p>In preparing the financial report, the Directors are responsible for assessing the Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless it is inappropriate to do so.</p>

**Auditor's responsibilities for the audit of the financial report**

As required by the *Audit Act 1994*, my responsibility is to express an opinion on the financial report based on the audit. My objectives for the audit are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal control
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors
- conclude on the appropriateness of the Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Trust's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Trust to cease to continue as a going concern.
- evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

I communicate with the Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide the Directors with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.
